"Up on the Roof" is a song written by Gerry Goffin and Carole King and recorded in 1962 by The Drifters. Released late that year, the disc became a major hit in early 1963, reaching number 5 on the U.S. pop singles chart and number 4 on the U.S. R&B singles chart. In the UK it was a top ten success for singer Kenny Lynch, whose version was also released in 1962.

`A flashlight, a frying pan, a library, a piece of marble -- you will encounter all these objects in the worlds P. K. Page invents for you in these pages. It's hard to imagine so many authorial impersonations in one book: a middle-aged gardener retreats from domestic chaos to the privacy of his rooftop shelter; a young man discovers his parents' library as solace for a broken heart; a child whose parents are pigeon breeders makes beautiful objects of feathers. All the stories have in common the impeccable verbal magic that is P. K. Page's unique poetic signature. And beneath is a profound meditation. What is fiction, what is fact? Is there anything we can call truth? And who is the tremulous `we', desperately trying to fix a location in this multiple, endlessly metamorphic, lonely cosmos. With an understanding earned by a lifetime of attention, Page assures us that this cosmos is threaded with love, if we are brave enough to search for it.'

"Up on the Roof and Other Stories" is a unique collection of nineteen humorous and serious short stories that explores the lives and relationships of the young and old. A grizzled, old farmer, Pop, climbs up on his farmhouse roof to meditate, check his chimney and antenna, and ends up talking to God on his portable phone in "Up on the Roof." In "Bald Revelations," Maureen is convinced her husband of twenty years is planning to leave her when he purchases ten new pairs of black socks and starts singing Beach Boy songs. Greta Nielsen of Inuit heritage is searching for an amulet to remind herself of home, but her money-conscious boyfriend keeps thwarting her efforts in "The Amulet". Storyteller Judy Ann Davis weaves her award-winning tales to

make her readers laugh, maybe cry, but always able to relate to the unique characters and the dilemmas they encounter.

Charlie has taken his 30 years of prison dwelling and condensed it into one handy and comprehensive volume. Moved around the prisons of the British Isles regularly, he has sampled all that prison life has to offer, taking in both the historic and the pre-historic buildings that comprise Britain's prison system. It's all in here - from the correct way to brew vintage prison 'hooch' and how to keep the screws from finding it; to prison food and its many alternative uses. Read about Charlie's special taming techniques for prison wildlife such as spiders, rats and cockroaches; creatures that may be your only friends on long stretches in solitary. With over 70,000 people (and rising) currently residing at Her Majesty's Pleasure, Charlie Bronson's Good Prison Guide is essential for young offenders and old lags alike. Don't go away without it!

When a storm wreaks havoc on bookish Lena's well-ordered world, her laid-back new neighbor, Megan, offers her a room. The trouble is they've been clashing since the day they met. How can they now live under the same roof? A quirky romance, laced with classic British humor, about the power of opposites attracting

Pilot and photographer Alex MacLean has flown his plane over large areas of the United States, documenting the landscape from beautiful agricultural patterns to geometric city grids. In his new book, he directs his lens at the rooftops of New York City, showing the great complexity and life of the roofs of New York's buildings. Depicting not only the city's famous water towers, but pools, tennis courts, gardens, sunbathers, art, and restaurants up in the air, MacLean's powerful images give readers a glimpse of a part of the city that usually remains hidden. His photographs leave little doubt about New York City's "green" potential and the belief that improved outdoor spaces above lead to more livable cities below. Maps and captions help the reader to easily locate the photographs, and an essay by Robert Campbell puts MacLean's work into context. Whether you are new to the city native born, this fascinating look at hidden New York will be a revelation.

Four plays by Richard Bean with an introduction by Chris Campbell. Includes: Harvest, In the Club, The English Game and Up on Roof. 'Funny, poignant with a heart as big as a house, this is a rich Harvest indeed.' The Daily Telegraph on Harvest 'It is rare to spend two hours of unadulterated pleasure in a theatre, even for somebody who occupies theatre seats on a constant basis. This play...is beautifully crafted, well written and as funny as anything currently on stage.' British Theatre Guide on In the Club 'There have been many good plays about cricket before...but none that told us so much about our splintering land.' The Guardian on The English Game 'Wonderful lightness of touch...[his dialogue] takes your breath away.' The Daily Telegraph on Up on Roof

50 panoramas from Glacier National Park

Julka is part of Santa's Advance team, but she's spending her days inspecting rooftop entrances for the Big Night. And she's traveling with an annoying elf who just happens to be on double secret forever probation. She hates her job. She wants excitement. She wants to explore the Greater World. She wants romance. Disgraced investment banker, Marshall, doesn't have a job. Not any more. He spends his days trying to ingratiate himself with neighbors who believe he's personally responsible for the Great Recession, even though he isn't. Then he sees a pretty woman dressed like an elf standing on a rooftop. He has no idea that entrancing vision will change his life-forever. Part of the Kristine Grayson Santa Series.

At lunchtime on a bitterly cold January day in 1969, the strains of guitar chords could be heard in the streets surrounding London's Savile Row. Crowds gathered - At ground level and above. People climbed onto roofs and postboxes, skipped lunch to gather and listen: For the first time in more than two years, The Beatles were playing live. Ringing from the rooftops, disturbing the well-to-do ears of the tailors below, they upset the establishment and bewildered the police. It was filmed by director Michael Lindsay-Hogg, who hoped the footage would act as the finale to a celebratory TV special. When it finally surfaced, it was in the bleak, tumultuous documentary Let It Be. And The Beatles would never play live again. Tony Barrell examines the concert within the context of its time. He speaks to those who were there: the fans, film-makers, roadies, Apple Corps staff and police. He explores the politics of 1968, when peace gave way to protest, and how music promotion began to collide with cinéma vérité and reality TV. The Beatles on the Roof makes essential reading for anyone interested in the band's reinventions and relationships, revealing why the rooftop concert happened at all, why it happened the way that it did, and why it would never happen again.

16 classics as recorded by Neil Diamond, including: You've Lost That Loving Feeling * Up on the Roof * Love Potion #9 * Don't Be Cruel * Do You Know the Way to San Jose * and more.
