trade. Five step-by-step projects follow, to enable readers to put a few of the key techniques explained into practice. Almost 500 detailed line drawings created by the author illustrate every aspect covered in the text. The book also includes advice on estimating costs for materials for the budding professional. The restorer will find a wealth of material on historical styles and techniques. This new edition also includes an updated bibliography and contacts section.

“This massive compilation of facts, skills, techniques, designs, and insider advice tells you everything....Set up your own workshop with just a few tools, a staple gun, cloth, and foam cutters. It's practically enough information to make you a professional upholsterer!”—Decorating Country Style.

Download Free Upholstery A Complete Course Revised Edition

With 15 easy to follow, fabulously illustrated step-by-step projects, this book is just what the beginning upholsterer needs. The first eight items—including a drop-in-bottom chair, overstuffed seat, and box cushion—teach the fundamental techniques required to tackle any upholstery task that might arise. After that, it's time to get more creative, with a beautiful Art Deco armchair, chaise longue, leather chesterfield, and more. Each project includes a list of tools and materials, a quick overview of the key skills, and tip boxes to make the work go more smoothly.

A complete resource for furniture upholstering, regardless of your abilities, with easy-to-follow, illustrated instructions explaining all the essential upholstery techniques, from covering buttons to

stripping and upholstering entire chairs. Build your skills at your own pace, with advice on the basics such as choosing materials and tools for the job and estimating yardage, as well as more complex upholstering techniques. It features invaluable advice on what to look for when buying second hand furniture, teaching you what's fixable and what's not as well as how to avoid costly mistakes by choosing the right stitches, and techniques and textiles for the job.

Offers a guide to beginners that are inspired to renovate, restore or update a piece of upholstery, and provides refurbishing techniques and projects from start to finish.

The most comprehensive, user-friendly upholstery book on the market just got better! Over its lifetime, SINGER Upholstery Basics

Download Free Upholstery A Complete Course Revised Edition

has sold nearly 150,000 copies. Now, with five new projects and an entirely fresh presentation, SINGER Upholstery Basics Plus is truly the best book for beginners and seasoned upholstery buffs alike. All the basic upholstery techniques are taught. Projects include all styles of chairs or couches, stools, different styles of ottomans, a bench, and a headboard. Some projects are built-from-scratch items that require only simple carpentry skills for building the frames. Others show the complete process of stripping, repairing, and reupholstering old furniture pieces to like-new condition. Large color photos of the step-by-step instructions set this book apart from all the others. 300+ photos show the techniques in great detail, plus 5 new projects Projects are practical and most representative of the types of furniture pieces usually reupholstered or constructed from scratch
