More than any other type of document, a software user guide is likely to go through multiple iterations before it is complete, and it is likely to go through a review process by multiple stakeholders. Using the Track Changes feature on Microsoft Word is an easy way to keep track of each individual's comments and changes.

I wrote this book to help people like myself, who may have tried to understand the Bible or have been intimidated by it. In the beginning of my study of the Bible, I spent hours trying to get the hang of it. I got lost reading long lists of names I couldn't even figure out how to pronounce. The book of Leviticus contained lists of rules and regulations.
