Hello, I just bought a 1977 Terry Travel Trailer. It
needs some care and some replacement windows.
I've searched the internet for manuals but haven't
had any luck. Does anyone know where I could find
one. I'm brand new to RV's and the manual would
help. Its not in bad shape but I would like to fix it up
before it gets cold.

Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, Vintage Camper Trailers, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.
