Les Fleurs du mal, Charles Baudelaire's masterpiece, takes pride of place in this new bilingual edition, with Francis Scarfe's elegant prose versions for support. All of Baudelaire's other collections, occasional and juvenile verse are included. Scarfe's introduction on the man, his circle, and poetry is an ideal entry-point for new readers.

The Fifth Edition of A History of the Roman People continues to provide a comprehensive analytical survey of Roman history from its prehistoric roots in Italy and the wider Mediterranean world to the dissolution of the Roman Empire in Late Antiquity in A.D. 600. Clearly organized and highly readable, the text's narrative of major political and military events provides a chronological and conceptual framework for the social, economic, and cultural developments of the periods covered. Major topics are treated separately so that students can easily grasp key concepts and ideas.

'OMG this book! So so so heartbreaking, my heart broke... My god it was fabulous, the writing style and storyline were brilliant and well written... This book will stay with me for a long long time and definitely on my favs of 2020!' Goodreads Reviewer, [REDACTED] I will not think about it anymore. I won't think about her. My lost little sister with her beautiful smile, her chestnut-coloured eyes. My sister who I couldn't protect. If you passed Alice on the street, you couldn't help but smile. At how she holds hands with her husband, Jack, who she has been with since she was at university. At the way she admires her three boys, the centre of her universe. But if you looked very closely, you'd see how tightly she holds Jack's hand, afraid to let go. You'd see how carefully she watches her boys, scared to look away. You'd see her smile fading in a matter of seconds, and the pain she hides behind her eyes. She has told Jack that she ran away from home when she was younger - but she didn't tell him the whole story. Her husband doesn't know about the guilt she bears about her little sister she failed to save. Now, after a lifetime of fresh starts, Alice can feel her past playing catch-up. She is sure she is being watched, certain she is being followed. She may not be able to stop her secret coming out - but can she stop the world she has lovingly built collapsing in on her? This utterly

heartbreaking, beautifully written and gripping family drama examines just how far we are willing to go for our loved ones, and the desperate decisions we make when we have no other choice. Fans of Jodi Picoult, Kerry Fisher and Liane Moriarty will be blown away by this incredibly moving tale. Readers absolutely love The Nowhere Girl: 'One of a kind. I think fans of Jodi Picoult, Liane Moriarty and others will love this one. I was blown away by the story and the characters.' Crossroad Reviews 'Jeez, Louise!!! This story kept me reading and reading like there was no tomorrow!... I adored it... It made my heart sing and weep. It made my eyes leak and my mouth smile. It was utterly gripping and devastating.' B for Book Review, 5 stars 'An incredible book by an incredible writer!... Had me hooked from the very first page and kept me reading right through the night. I am a relatively slow reader but I devoured this book in one sitting as I just couldn't put it down.' Goodreads Reviewer, 5 stars 'Wow, just wow!!!!!!... So amazing and beautifully written... I loved it so much... An emotional rollercoaster that I never wanted to get off from.' Blue Moon Blogger, 5 stars 'Jaw-droppingly good!... One of the most evocative, captivating books that I had the pleasure to have read... Exquisitely crafted... Unequivocally one of the best books that I have read.' Goodreads Reviewer, 5 stars 'All I can say is WOW!... I couldn't put the book down.' Goodreads Reviewer, 5 stars 'OMG... What can I say?... Nicole took me on a journey... It felt so real, I cried.' Goodreads Reviewer, 5 stars 'WOW... I loved this one.' Goodreads Reviewer 'Oh my, what a story! I absolutely loved it from beginning to end.' NetGalley Reviewer, 5 stars 'Captivating. had to keep reading until I got to the end... It had my heart racing... I wish I could give it SIX stars!' Reading Down Under, 5 stars 'Oh my goodness, what a fantastic book... A definite "edge of seater". Well done, Nicole, I look forward to your next masterpiece.' NetGalley Reviewer, 5 stars 'I couldn't stop reading!... I read the last half of the book all in one morning (during a snow day from school!). Couldn't put it down!... I am not a person who typically gets emotional when I read books but the last 4-5 chapters had me so emotionally connected.' Goodreads Reviewer, 5 stars 'I finished just moments ago and the only word that comes to mind is "wow!" I am blown away by the author's ability to create such a painful, beautiful story... I felt everything from joy to anger. This story deserves great praise. I will be telling everyone about it and can't wait for people to read it!' NetGalley Reviewer, 5 stars

The only introductory text on the market today that explains the underlying physics and engineering applicable to all lasers Although lasers are becoming increasingly important in our high-tech environment, many of the technicians and engineers who install, operate, and maintain them have had little, if any, formal training in the field of electro-optics. This can result in less efficient usage of these important tools. Introduction to Laser Technology, Fourth Edition provides readers with a good understanding of what a laser is and what it can and cannot do. The book explains what types of laser to use for different purposes and how a laser can be modified to improve its performance in a given application. With a unique combination of clarity and technical depth, the book explains the characteristics and important applications of commercial lasers worldwide and discusses light and optics, the fundamental elements of lasers, and laser modification.? In addition to new chapter-end problems, the Fourth Edition includes new and expanded chapter material on: Material and wavelength Diode Laser Arrays Quantum-cascade lasers
