In this irresistibly funny follow-up to the breakout bestseller Darth

# Get Free Vaders Little Princess 2015 Wall Calendar Star Wars

Vader and Son, Vader's Sith Lord and leader of the Galactic Empire now faces the trials, joys, and mood swings of raising his daughter Leia as she grows from a sweet little girl into a rebellious teenager. Smart and funny illustrations by artist Jeffrey Brown give classic Star Wars moments a twist by bringing these iconic family relations together under one roof. From tea parties to teaching Leia how to fly a TIE fighter, regulating the time she spends talking with friends via R2-D2's hologram, and making sure Leia doesn't leave the house wearing only the a skirted metal bikini, Vader's parenting skills are put hilariously to the test. Plus, this is the fixed-format version, which looks almost identical to the print edition.

In this funny and sweet new book in the bestselling Darth Vader series, Eisner Award-winning author Jeffrey Brown offers an intimate look at the friendships between best pals in the Star Wars universe, from Darth Vader and the Emperor to Leia and her Ewok pals, Han and Chewie, C-3PO and R2-D2, the bounty hunters, and other favorite characters. Jealousy, birthday parties, lightsaber battles, sharing, intergalactic rebellion and more all come into play as Brown's charming illustrations and humor irresistibly combine the adventures of our friends in a galaxy far, far away with everyday events closer to home. © and TM Lucasfilm Ltd. Used Under Authorization

"Celebrate Star Wars Sithmas in style and good cheer with this sweetly funny holiday gift book"--

What if Darth Vader took an active role in raising his son? What if "Luke, I am your father" was just a stern admonishment from an annoyed dad? In this hilarious and sweet comic reimagining, Darth Vader is a dad like any other--except with all the baggage of being the Dark Lord of the Sith. Celebrated artist Jeffrey Brown's delightful illustrations give classic Star Wars® moments a fresh twist, presenting the trials and joys of parenting through the lens of

# Get Free Vaders Little Princess 2015 Wall Calendar Star Wars

a galaxy far, far away. Life lessons include lightsaber battling practice, using the Force to raid the cookie jar, Take Your Child to Work Day on the Death Star ("Er, he looks just like you, Lord Vader!"), and the special bond shared between any father and son. Plus, this is the fixed-format version, which looks almost identical to the print edition.

As he's shown in his previous hugely popular books, Jeffrey Brown has a real gift for finding humor in quirky yet universal truths. Now the bestselling author of *Darth Vader and Son* and *Vader's Little Princess* brings his witty comic observations to terrestrial parenting in this perceptive book celebrating the more surreal moments of raising a child. In charming colorful panels, Brown wryly illustrates his five-year-old son's take on the world around him, from watching TV ("Elton John looks pretty in that shirt") to playing with toys ("This truck can survive on very little water") to odd requests ("Don't feel happy at me"), capturing the sweetly weird times that mothers and fathers everywhere experience with their own curious, pure-minded kids.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both

# Get Free Vaders Little Princess 2015 Wall Calendar Star Wars

overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

It's midnight and the moon is full, but Darth Vader isn't scared. OF COURSE I AM NOT SCARED. Nothing can scare Lord Vader! CORRECT. Not monsters or witches or ghosts, and especially not the dark. So what is Darth Vader scared of? Read on in Adam Rex's hilarious and spooky Star Wars tale to find out! YOU WILL LEARN NOTHING.

If you're a dinosaur, all of your friends are dead. If you're a pirate, all of your friends have scurvy. If you're a tree, all of your friends are end tables. Each page of this laugh-out-loud illustrated humor book showcases the downside of being everything from a clown to a cassette tape to a zombie. Cute and dark all at once, this hilarious children's book for adults teaches valuable lessons about life while exploring each cartoon character's unique grievance and wide-eyed predicament. From the sock whose only friends have gone missing to the houseplant whose friends are being slowly killed by irresponsible plant owners (like you), *All My Friends Are Dead* presents a delightful primer for laughing at the inevitable.

The New York Times Best Seller Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Darth Vader to R2D2. Return once more to a galaxy far, far away with this sublime retelling of George Lucas's epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with all the valor and villainy of Shakespeare's greatest plays. Authentic meter, stage

# Get Free Vaders Little Princess 2015 Wall Calendar Star Wars

directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. Zounds! This is the book you'llre looking for.

How to Raise Empowered Girls in a Princess World! It's no secret that little girls love princesses, but behind the twirly dresses and glittery crowns sits a powerful marketing machine, delivering negative stereotypes about gender, race, and beauty to young girls. So how can you protect your daughter, fight back, and offer new, less harmful options for their princess obsession? The Princess Problem features real advice and stories from parents, educators, psychologists, children's industry insiders that will help equip our daughters to navigate the princess-saturated media landscape. With excellent research and tips to guide parents through honest conversations with their kids, The Princess Problem is the parenting resource to raising thoughtful, open-minded children. "a very insightful look at our princess culture...Parents ? this is a must read!" □ Brenda Chapman, Writer/Director, Disney/Pixar's BRAVE
