MFA 527 Getting Started Vampires In The Lemon Grove

Vampires in the Lemon Grove is Russell's second collection of short stories - in my review of her first book, *St. Lucy's Home for Girls* She's just too good at this, guys, and it's driving me crazy. No one should be able to do what Karen Russell does - her particular brand of magical realism, where the supernatural and suburban America blend seamlessly, is like nothing I've ever encountered before.

Thirteen-year-old Ava Bigtree has lived her entire life at *Swamplandia!*, her family’s island home and gator-wrestling theme park in the Florida Everglades. But when illness fells Ava’s mother, the park’s indomitable headliner, the family is plunged into chaos; her father withdraws, her sister falls in love with a spooky character known as the Dredgeman, and her brilliant big brother, Kiwi, defects to a rival park called *The World of Darkness*. This book presents eight of the author's short stories. In "Bog Girl: A Romance," a story about first love, a young man falls in love with a two thousand year old girl that he's extracted from a mass of peat in a Northern European bog. In "The Prospectors," two opportunistic young women fleeing the Depression strike out for new territory, and find themselves fighting for their lives. In the title story, a new mother desperate to ensure her infant's safety strikes a diabolical deal, agreeing to breastfeed the devil in exchange for his protection. The landscape in which these stories unfold is a feral, slippery, purgatorial space, bracketed by the void - yet within it, the author captures the tenderness of ordinary life.--adapted from book jacket.

Run by the wealthy and enigmatic Storch brothers, the Slumber Corps is at the forefront of the fight against this deadly new disease. But when Trish is confronted by "Baby A," the first universal sleep donor, and the mysterious "Donor Y," whose horrific infectious nightmares are threatening to sweep through the precious sleep supply, her faith in the organization and in her own motives begins to falter. Gripping.....Can mutual peace really coexist with wild chaos? Walsh’s readers will find themselves eagerly turning the pages, racing to find out.” --*The New York Times* Book Review A highly charged, sultry, beautifully written and compulsive one-sit read, *The Lemon*

Grove is an intense novel about obsession and sex—the perfect summer book. Jenn and Greg have been married for fourteen years, and, as the book opens, they are enjoying the last week of their annual summer holiday in Deia, a village in Majorca off the coast of southern Spain. Their days are languorous, the time passing by in a haze of rioja-soaked lunches, hours at the beach, and lazy afternoon sex in their beautiful villa. It is the perfect summer idyll . . . until Greg's teenage daughter (Jenn's stepdaughter), Emma, arrives with her new boyfriend, Nathan, in tow. What follows, over the course of seven days, is a brilliantly paced fever dream of attraction between Jenn and the reckless yet mesmerizing Nathan. It is an intense pas de deux of push and pull, risk and consequence . . . and moral rectitude, as it gets harder and harder for Jenn to stifle her compulsion. This is a very smart novel about many things: the loss of youth, female sexuality, the lure of May/December temptation, the vicissitudes of marriage and the politics of other people's children. It is simultaneously sexy and substantive, and Helen Walsh's masterful, even-handed tone can't help but force the reader to wonder: "What would I have done?" Beautifully written with the tension of a rubber band just about to snap, *The Lemon Grove* is a book that will have people talking all summer long.

Winner of the Sherwood Anderson Foundation Fiction Award Honorable Mention for the PEN/Hemingway Award "F. Scott Fitzgerald meets Wes Anderson" (*The Village Voice*) in this inventive and witty debut about a young man's quest to become a writer and the misadventures in life and love that take him around the globe—from the author of *Why We Came to the City* As early as he can remember, the narrator of this remarkable novel has wanted to become a writer. From the jazz clubs of Manhattan to the villages of Sri Lanka, Kristopher Jansma's hopelessly unreliable—yet hopelessly earnest—narrator will be haunted by the success of his greatest friend and literary rival, the brilliant Julian McGann, and endlessly enamored with Evelyn, the green-eyed girl who got away. A profound exploration of the nature of truth and storytelling, this delightful picaresque tale heralds Jansma as a bold, new American voice.

"Passionate, sensuous, savagely intense, and remarkable" stories of the American South, "like some franker, modernized Flannery O'Connor" (*The New Yorker*). Welcome to Lookout Mountain on the border of Georgia and Tennessee. Mixing white-hot yearning with daring humor, this short-story collection of infidelity, spirituality, sexuality, and family is at once "strange, thrilling, and disarmingly honest . . . the closest thing I've seen in years to Donald Barthelme's insouciance, sweetness and ominousness" (*The New York Times Book Review*). These fifteen linked tales confront readers with dark theological complexities, fractured marriages, and mercurial temptations: a husband discovers the decaying corpse of his wife's lover in their bed; an enigmatic deaf man becomes the catalyst in the destruction of his church; a child's perspective on life is altered after the attempted murder of a loved one; an embarrassed teenager is forced to attend a pool party with her quadriplegic mother; the hole in a young boy's heart is magically sealed when he falls in love for the first time. "Fasten your seat belt. . . . These amazing stories explore the human boundaries between the physical world and the spiritual—lust, betrayal, and loss in perfect balance with love, redemption, and grace." —Jill McCorkle, author of *Life After Life* "These are stories that make you stop whatever you're doing and read. . . . I salute a brilliant new American writer." —Tom Franklin, Edgar Award-winning author "A brilliant new voice in American fiction has arrived. . . . She has earned a place alongside Amy Hempel, Lydia Davis, and Alice Munro." —David Means, author of *Hystopia*
