Stand-Up Forklifts, Stand-up forklifts, or reach trucks, offer the advantage of navigating through narrow aisles without any problems. Since the operator is already standing, they don't need to turn their neck to see when they're reversing. In general, stand-up lifts provide better visibility.

This book follows a year in the life of a young boy from his ninth birthday until his tenth birthday. A mix of humor, drama, sadness, and enlightenment tie the story together. The period runs from April 6, 1963, through April 6, 1964. The story is set in the small northeast Georgia town of Toccoa. The author uses actual events and experiences to help develop a fictional story that incorporates subtle, positive values when practical. It is an intriguing book for growing ten-year-olds as well as for anyone who has ever turned ten years old.

What do you get when you take two moms who love children's ministries and ask them to plan the Vacation Bible School program at their church? If you asked Gennifer Anderson and Sonja Toews that question, their answer would be--this book! With more than twenty years of combined experience coordinating the VBS program for their church each summer, these two moms decided to write their own VBS programs to meet the needs of their church and offer a different program to their community other than the mainstream VBS programs that every other church in their town was offering. The result of their efforts is Small Town VBS. This book offers you three programs for less than the price of one manual for most other programs! Buy one book and be set for three years! Each program contains detailed information about the opening program, crafts, games, food, and skit scripts, which provide humor and laughter for the closing program while tying the whole theme for the day together. The result of their efforts is Small Town VBS. This book offers you three programs for less than the price of one manual for most other programs! Buy one book and be set for three years! Each program contains detailed information about the opening program, crafts, games, food, and skit scripts, which provide humor and laughter for the closing program while tying the whole theme for the day together. The three programs focus on the following themes: Celebrations - Explores the ceremonies the Israelites celebrated and how each celebration pointed to the future and Christ's mission on earth. Short Stories - Looks at five of Jesus' parables and what those stories mean to us. God's Most Wanted - Studies the life of David and how God used him as a shepherd boy and king to do great things. Share God's love with the children in your church and community by putting together an unforgettable VBS program with the help of two experienced program directors who God has called to teach children about Jesus!

Originally the Venda Building Society, VBS Mutual Bank was a small, little-known lender in Limpopo before it rocketed from obscurity in 2016 by giving President Jacob Zuma a controversial home loan to repay the state for improvements to his Nkandla homestead. The bank was growing rapidly and sold itself as a fearless champion of black advancement. Its main shareholder, Vele Investments, was on a meteoric trajectory towards becoming a financial conglomerate worthy of national attention. When the bank abruptly went into curatorship in March 2018, no one had any reason to doubt that it was just another unfortunate corporate failure. Then the astonishing truth emerged: the collapse of VBS was due to an epic R2-billion fraud that had created Vele's empire out of thin air and left the bank a hollow shell. VBS: A Dream Defrauded unravels the fraud, exploring how suspected mastermind Tshithwa Matodzi and his associates first took control of VBS, fed ANC patronage networks and operated under a nationalist mantle endorsed by Venda royalty. The book explains how the bank and its shareholder Vele were seemingly built into a multibillion-rand business, exposes the political machinations that guaranteed VBS up to R3.5 billion in unlawful funding from municipalities and other state institutions, and describes the free-for-all that ensued after the bank's collapse, when all involved tried to cover their tracks. Written by one of the journalists who first broke the story, this book draws on interviews with VBS insiders and other role-players, as well as documents and detailed forensic evidence collected in the course of two years of investigations. This is a compelling account of a bank heist whose shockwaves continue to haunt the politicians, businessmen and traditional leaders who enabled it.

We're missing out ... on hearing one another's songs, on worship in our daily lives, on passion in our praise, on the dance of David, on fellowship with Christians who disagree, on sharing testimony of God's work in our assemblies, on agreeing together, and more. In the Churches of Christ, some begin to broaden their experience in praise, wishing they could answer the questions of those who feel left behind. "Missing More than Music" understands why we look at the same evidence and disagree. There is hope for worship and unity. We're missing more than music. Let's have all that we've been missing ... together.

From the 1980s to the year 2019, things sure have changed. I have been blessed to be a part of such a time as this. Little did I know God would use my life to unfold the pages of this book. Just like the seasons are throughout a year, so are the seasons of our lives. If you were the pastor, the VBS director, a teacher, a kid, a song leader, a game leader, a craft leader, a way of transportation, or maybe you just offered up prayer or maybe you just laid out the cookies and Kool-Aid at VBS, this book is for you! All different ages, all different nationalities come together for one purpose. Some we win, some we lose. There are the highs and lows. There's laughter and tears, but we cannot afford to give up on anyone. Are we willing to be the mothers and fathers or a friend to a parentless generation? Yes, we are! Go with me and bring back the memories of your VBS. Everyone is different.
