on the side of the road, leaking oil, overheating, and asking tough questions like, "What is death?" and "Why did Mom leave?" But stay calm! Because *How To Keep Your Volkswagen Alive* is not only a dizzyingly beautiful novel, it's also a handy manual with useful chapters on "Tools and Spare Parts," "Valve Adjustment," "How To Read This Novel," and, most important of all, "How Works a Heart." Welcome to Christopher Boucher's zany literary universe, a place where metaphors shift beneath your feet, familiar words assume new meanings, objects talk, trees attack, and time actually is money.

Modeled on the cult classic 1969 hippie handbook of the same name, *How To Keep Your Volkswagen Alive* is an astonishing tour-de-force that tackles some of life's biggest questions: How do you cope with losing a parent? What's the secret to raising a child? How do you keep love alive? How do you get your car to start?

The authors spent seventeen days at the Morgan factory in Pickersleigh Road,

transitional period, 1952-1954, for sports car racing in America following the ban on public road racing in many of the States. The ban left the rapidly expanding Sports Car Club of America with a problem: where to hold races. At precisely the same time, Curtis LeMay, head of Strategic Air Command, was having problems obtaining funds from Congress to improve conditions on the many air bases located around the country. The solution was a marriage of convenience, whereby the SCCA was allowed access to active SAC air bases to hold its race programmes. In

return, the SAC base would receive the net profits from the event, which would be put into the Airmen's Living Improvement Fund. As a result of some initial financial success for the SAC bases, the scheme was also adopted by non-SAC bases together with regional clubs, with the same agreement in place.

Complaints from airmen alerted Congressman Errett Scrivner to potential irregularities, and he ordered an audit to be conducted to ascertain precisely what it was costing the air bases to host the races. His findings led to the cessation of the

ances, ordered by Congress. The product of a long period of extensive research by the author, this book gives a fascinating insight into this two-year period, complemented by over 150 period pictures, many previously unpublished.
