Single, Married, Separated, & Life After Divorce, Expanded Edition (2003) Singleness is a myth. To be single means to be all one (alone), separate, unique and whole. MARRIAGE is when two separate, unique and whole persons, one male and one female, make a covenant to exchange vows, committing their lives to remain together until death. Separation is an unofficial divorce with the exact same effect as divorce. It is the most tragic state of limbo. Divorce means to desert. The armed forces prosecute deserters. God has made no provision for divorce in the Bible. If you are invited to a wedding, you are a covenant witness, and if this couple later divorces, you should be invited to the divorce just as you were to the wedding.
