parade one way or the other, and Christians must know the difference. The Believer's Walk with Christ plumbs nine New Testament passages to unfold this great theme and help us live in step with the Spirit. Written in John MacArthur's direct, accessible style, it is ideal for Bible study groups, church leaders, or individual believers who want to grow in godliness. MacArthur draws on a lifetime of scholarly and pastoral experience to demystify that process and explain clearly what Scripture says about it. He'll help you know what it means to grow in Christian maturity, and how to make it the mark of your life. About the series: This book is part of The John MacArthur Study Series. It is comprised of chapters adapted from the bestselling MacArthur New Testament Commentary, which have been arranged thematically for the purpose of topical study. Accordingly, each chapter is designed to take the reader deep into a text of Scripture, while the volume as a whole addresses a specific biblical theme. This approach is ideal for anyone wanting to engage in a thorough study of what the Bible says about a given subject. It also serves as a valuable tool for pastors or Bible study leaders looking to teach a topical series.

“ This is a series of stories of what it looks like to walk with God, over the course of about a year. ” So begins a remarkable narrative of one man's journey learning to hear the voice of God. The details are intimate and personal. The invitation is for us all. What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can't I overcome those “ habits ” that look more and more like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.

In *Walking with Jesus: A Way Forward for the Church*, Pope Francis urges us to make Jesus central in our individual lives and in the collective life of the Church—to walk toward him, and ultimately to walk with him at all times and in all places. With a foreword by Archbishop of Chicago Blase J. Cupich, Pope Francis's first major appointment in the United States, *Walking with Jesus* offers the Church a much-needed way forward, past its inner and outer walls, as it fearlessly follows Christ toward the future.

Drawing on Jesus's example of walking, bestselling author Mark Buchanan explores one of the oldest spiritual practices of our faith. What happens when we literally walk out our Christian life? We discover the joy of traveling at the speed of our soul. We often act as if faith is only about the mind. But what about our bodies? What does our physical being have to do with our spiritual life? When the Bible exhorts us to walk in the light, or walk by faith, or walk in truth, it means these things literally as much as figuratively. The Christian faith always involves walking out, as again and again we find the holy in the ordinary. "Come, follow me," Jesus said, and then he was off. The most obvious thing about Jesus's method of discipleship, in fact, is that he walked and invited others to walk with him. Jesus is always "on the way," "arriving," "leaving," "approaching," "coming upon." It's in the walking that his disciples are taught, formed, tested, empowered, and released. Part theology, part history, part field guide, *God Walk* explores walking as spiritual formation, walking as healing, walking as exercise, walking as prayer, walking as pilgrimage, suffering, friendship, and attentiveness. It is a book about being alongside the God who, incarnate in Jesus, turns to us as he passes by--always on foot--and says simply, "Come, follow me." With practical insight and biblical reflections told in his distinct voice, Buchanan provides specific walking exercises so you can immediately implement the practice of going "God speed." Whether you are walking around the neighborhood or hiking in the mountains, walking offers the potential to awaken your life with Christ as it revives body and soul.
