Located in a nameless desert somewhere in the great American Southwest, Night Vale is a small town where ghosts, angels, aliens, and government conspiracies are all commonplace parts of everyday life. It is here that the lives of two women, with two mysteries, will converge. Nineteen-year-old Night Vale pawn shop owner Jackie Fierro is given a paper marked "KING CITY" by a mysterious man in a tan jacket holding a deer skin suitcase. Everything about him and his paper unsettles her, especially the fact that she can't seem to get the paper to leave her hand, and that no one who meets this man can remember anything about him. Jackie is determined to uncover the mystery of King City and the man in the tan jacket before she herself unravels. Night Vale PTA treasurer Diane Crayton's son, Josh, is moody and also a shape shifter. And lately Diane's started to see her son's father everywhere she goes, looking the same as the day he left years earlier, when they were both teenagers. Josh, looking different every time Diane sees him, shows a stronger and stronger interest in his estranged father, leading to a disaster Diane can see coming, even as she is helpless to prevent it. Diane's search to reconnect with her son and Jackie's search for her former routine life collide as they find themselves coming back to two words: "KING CITY". It is King City that holds the key to both of their mysteries, and their futures...if they can ever find it.

A haunting, provocative novel, You Feel It Just Below the Ribs is a fictional autobiography in an alternate twentieth century that chronicles one woman’s unusual life, including the price she pays to survive and the cost her choices hold for the society she is trying to save. Born at the end of the old world, Miriam grows up during The Great Reckoning, a sprawling, decades-long war that nearly decimates humanity and strips her of friends and family. Devastated by grief and loneliness, she emotionally exiles herself, avoiding relationships or allegiances, and throws herself into her work—disengagement that serves her when the war finally ends, and The New Society arises. To ensure a lasting peace, The New Society forbids anything that may cause tribal loyalties, including traditional families. Suddenly, everyone must live as Miriam has chosen to—disconnected and unattached. A researcher at heart, Miriam becomes involved in implementing this detachment process. She does not know it is the beginning of a darkly sinister program that will transform this new world and the lives of everyone in it. Eventually, the harmful effects of her research become too much for Miriam, and she devises a secret plan to destroy the system from within, endangering her own life. But is her “confession” honest—or is it a fabrication riddled with lies meant to conceal the truth? A jarring and uncanny tale of loss, trauma, and the power of human connection and deception, You Feel It Just Below the Ribs is a portrait of a disturbing alternate world eerily within reach, and an examination of the difficult choices we must make to survive in it.

Upon his untimely death, H.P. Lovecraft, the early twentieth-century master of weird fiction, left behind descriptions of 221 unwritten stories. Some were only a few ambiguous words long, others were complete plot outlines, and all of them died with their author.Now, 70 years later, writers from all over the country have come together to bring these untold stories to life. The only requirement for the writers, to create a piece that fulfilled every part of Lovecraft’s original vision. The results are as varied as the artists behind them. Inside this book waits horror, science fiction, comedy, memoir, experimental text art, and one extremely short novel.Some of these stories will take away your worries. Others will take away your sleep. And a few will take you to another world, a world where weird fiction still lives, and the way home may prove difficult to find indeed;
