college. But Yale early childhood expert Erika Christakis says our fears are wildly misplaced. Our anxiety about preparing and safeguarding our children's future seems to have reached a fever pitch at a time when, ironically, science gives us more certainty than ever before that young children are exceptionally strong thinkers.

# Get Free What Do Grown Ups Do All Day Wide Eyed

In her pathbreaking book, Christakis explains what it's like to be a young child in America today, in a world designed by and for adults, where we have confused schooling with learning. She offers real-life solutions to real-life issues, with nuance and direction that takes us far beyond the usual prescriptions for fewer
