physiological thriller, or one of the most disturbing dramas ever made about the fringe of Hollywood fame.

The chilling novel that inspired the iconic film starring Bette Davis and Joan Crawford As seen on the FX series Feud: Bette and Joan, which chronicles the rivalry between the Hollywood stars during their filming of Whatever Happened to Baby Jane? The neighbors all whisper about the two sisters who live on the hill: It's Blanche Hudson who lives in that house, you know. The Blanche Hudson, who starred in big Hollywood films all those years ago. Such a shame her career ended so early, all because of that accident. They say it was her sister, Jane, who did it--that she crashed the car because she was drunk. They say that's why she looks after Blanche now, because of the guilt. That's what they say, at least. Nobody remembers that Jane was once a star herself. A fixture of early vaudeville, Baby Jane Hudson performed her song and dance routines for adoring crowds until a move to Hollywood thrust her sister into the spotlight. Even now, years later, Jane dreams of reviving her act. But as the lines begin to blur between fantasy and reality, past resentments become dangerous--and the sisters' long-kept secrets threaten to destroy them. Now with three short stories available for the first time in print, including What Ever Happened to Cousin Charlotte, the basis for the film Hush...Hush, Sweet Charlotte.

The literary classic that inspired the iconic film - the story of two sisters and the hell they made

their home. Once an acclaimed child star of vaudeville, Baby Jane Hudson performed for adoring crowds before a move to Hollywood thrust her sister, Blanche, into the spotlight. As Blanche's film career took off, a resentful Jane watched from the shadows as her own career faded into obscurity - until a tragic accident changed everything. Now, years later, the two sisters live in a decaying mansion, isolated from the outside world. Crippled by the accident, Blanche is helpless under the control of her abusive sister, who is slowly descending into madness. And when Baby Jane decides it's time to revive her childhood act, she won't let anything - or anyone - stand in her way. This edition features exclusive extra material: three previously unpublished short stories by Henry Farrell, including the inspiration for the movie *Hush...Hush*, *Sweet Charlotte*, and an introduction that reveals how the original novel came about as well as the behind-the-scenes drama of the iconic film starring Joan Crawford and Bette Davis, now recreated in the TV show *Feud*.

Cutting continuity; some pages revised as of 7/31/62.

It's 3am on a hot September morning in 1949. A dark sedan pulls to the rear of a home known as an unwed mothers' birthing clinic in Jasper, Tennessee. The small, quiet package is slipped past the screen door and slipped away in the dead of night never to be seen again. It is a scenario replayed over and over in the 1940's by the infamous Tennessee Children's Home Society and Ms. Georgia Tann, its unholy matron. Stolen after birth, my mother was told I was dead. I was sold for \$5,000.00 to my adoptive parents in Southern California. Children ripped off the streets and playgrounds, or simply removed from their home under color of authority, the Tennessee Children's Home Society stretched their tentacles throughout Tennessee as the Black Market Baby scam grew to unimaginable proportions. Doctors, nurses, lawyers, judges, social workers, welfare workers, and others joined on Tann's payroll. Never daring to ask the question as to where all the children came from. Over 5,000 children were illegally placed for adoption during Georgia Tann's reign. My agency-assigned number was 7,702. This is the story of James Arnold Bowman, my birth name given by my mother Flossie, and my

File Type PDF What Ever Happened To Baby Jane

life as an adoptee. After being told I was adopted at age 7, it became a life of questions unanswered until I was 60 years old. My adoptive parents elected to keep the details of my adoption a secret, never admitting they knew who I was, and the names of my parents. An accidental discovery in 2008 would reveal the secrets kept for so long, and begin my search for my birth family. Search for my true families would take over 5 years of genealogical studies, correspondence, and ending with DNA testing to finally determine my true origin. The Reader will be the investigator, following the trail of evidence presented in the suspect's own words contained in personal and business letters, and state forms filed in California and Tennessee, from ill-documented birth in May 1949 through sanction of the California adoption in 1953. You will also receive an insight as to what it is like to be an adopted child and labeled as not being "blood relation". It's a journey you don't want to miss.

Long before Shirley Temple's curls bounced their way into America's heart, Baby Peggy lit up marques here and abroad. This story of the shared infancy of a child and the film industry reveals the incredible life and awesome burdens of a child super-star.

This joint biography of Bette Davis and Joan Crawford follows Hollywood's most epic rivalry throughout their careers. They only worked together once, in the classic spine-chiller "What Ever Happened to Baby Jane" and their violent hatred of each other as rival sisters was no act. In real life they fought over as many man as they did film roles. The story of these two dueling divas is hilarious, monstrous, and tragic, and Shaun Considine's account of it is exhaustive, explosive, and unsparing. "Rip-roaring. A definite ten." - New York Magazine.

" Joan Crawford: The Essential Biography explores the life and career of one of Hollywood's great dames. She was a leading film personality for more than fifty years, from her beginnings as a dancer in silent films of the 1920s, to her portrayals of working-class shop girls in the Depression thirties, to her Oscar-winning performances in classic films such as *Mildred Pierce*. Crawford's legacy has become somewhat tarnished in the wake of her daughter Christina's memoir, *Mommie Dearest*, which turned her into a national joke. Today, many picture Crawford only as a wire hanger-wielding shrew rather than the personification of Hollywood glamour. This new biography of Crawford sets the record straight, going beyond the gossip to find the truth about the legendary actress. The authors knew Crawford well and conducted scores of interviews with her and many of her friends and co-stars, including Frank Capra, George Cukor, Nicholas Ray, and Sidney Greenstreet. Far from a whitewash -- Crawford was indeed a colorful and difficult character -- Joan Crawford corrects many lies and tells the story of one of Hollywood's most influential stars, complete with on-set anecdotes and other movie lore. Through extensive interviews, in-depth analysis, and evaluation of her films and performances -- both successes and failures -- Lawrence J. Quirk and William Schoell present Crawford's story as both an appreciation and a reevaluation of her extraordinary life and career. Filled with new interviews, Joan Crawford tells the behind-the-scenes story of the Hollywood icon. Lawrence J. Quirk is the author of many books on film, including *Bob Hope: The Road Well-Traveled*. William Schoell is the author of several entertainment-related books, including *Martini Man: The Life of Dean Martin*.

Bette Davis's career becomes a vehicle for a deep examination of American race relations. Bette Davis was not only one of Hollywood's brightest stars, but also one of its most outspoken advocates on matters of race. In *Bette Davis Black and White*, Julia A. Stern explores this largely untold facet of Davis's brilliant career. *Bette Davis Black and White* analyzes four of Davis's best-known pictures—*Jezebel* (1938), *The Little Foxes* (1941), *In This Our Life* (1942), and *What Ever Happened to Baby Jane?* (1962)—against the history of American race relations. Stern also weaves in memories of her own experiences as a young viewer, coming into racial consciousness watching Davis's films on television in an all-white suburb of Chicago. Davis's egalitarian politics and unique collaborations with her Black costars offer Stern a window into midcentury American racial fantasy and the efforts of Black performers to disrupt it. This book incorporates testimony from Davis's Black contemporaries, including James Baldwin and C. L. R. James, as well as the African American fans who penned letters to Warner Brothers praising Davis's work. A unique combination of history, star study, and memoir, *Bette Davis Black and White* allows us to contemplate cross-racial spectatorship in new ways.
