3 ways to shine the light of Christ to the people around us

Here are the two ways we can see God: 1. We use the word “ see ” to mean that we finally understand and discern the beauty and glory of God after being blind to it. Like when we say: Oh, now I see. Our soul is tuned in to the glory so that the glory of God that shines through the gospel is seen as glorious, and we are no longer spiritually blind to it. That is the first way we see him.

Can We Ever See God or Not? | Desiring God

Hope shines through. It may be just a glimmer but it's enough, to whisper his words of truth, "I see you, you are never alone. I will carry you through the fiercest of times, into places of peace ...

The world ' s major religious texts use light as a symbol of wisdom, encouraging readers to develop closer relationships with God to light their spiritual paths through the darkness of a fallen, sinful world. Just as light reflects off mirrors to help people see themselves, faithful people can engage in spiritual reflection to see the state of their souls, motivating them to seek more spiritual wisdom.

His brightness is shone through in every aspect of our lives. With Jesus, we sense a new beginning each and every day. He can fill all voids we allow Him to fill. Christ is eager and willing to enter our hearts. He will begin to shine his everlasting light of love, hope and grace throughout our future discipleship in His word.

Clair Cloninger introduces the Kaleidoscope Principle--the life-changing reality that God is in the business of shining through the seemingly insignificant pieces of life and using them to form patterns that are pleasing to Him.

Christians throughout the centuries have struggled to understand the relationship between God ' s law and His grace. Sadly, many have inadvertently neglected either the law and fallen into antinomianism or they have neglected grace and run amuck into legalism. God ' s Grace Shining through Law will help Christians young or old to navigate through these two errors and live in joyful obedience to the Word of God. May this volume be both a warning signal and a welcome sign, challenging each of us to examine our standing before a holy God and encouraging our hearts to rest in

Everyone has heard of Augustine of Hippo, the greatest of the Church Fathers of the Western Christian world; but not so many are acquainted with his writings. This volume presents a simple and straight-forward translation in contemporary English of parts of Augustine ' s famous series of sermons on St. John ' s Gospel. The imaginative reader will find himself transported to the Church of Hippo in the fifth century, with its varied sights and sounds. This is not quite the way in which anyone would preach today. This is part of the value of the book, which is not as simple as it looks. The reader has to keep in mind all the time three things—the original words of the Gospel according to St. John; the message that Augustine is trying to convey to his wayward flock at Hippo; the message that God may want to give us today through Augustine ' s understanding of the words of John.

A comprehensive treatment of visionary experience in some of the main texts of Jewish mysticism, this book reveals the overwhelmingly visual nature of religious experience in Jewish spirituality from antiquity through the late Middle Ages. Using phenomenological and critical historical tools, Wolfson examines Jewish mystical texts from late antiquity, pre-kabbalistic sources from the tenth to the twelfth centuries, and twelfth- and thirteenth-century kabbalistic literature. His work demonstrates that the sense of sight assumes an epistemic priority in these writings, reflecting and building upon those scriptural passages that affirm the visual nature of revelatory experience. Moreover, the author reveals an androcentric eroticism in the scopic mentality of Jewish mystics, which placed the externalized and representable form, the phallus,

at the center of the visual encounter. In the visionary experience, as Wolfson describes it, imagination serves a primary function, transmuting sensory data and rational concepts into symbols of those things beyond sense and reason. In this view, the experience of a vision is inseparable from the process of interpretation. Fundamentally challenging the conventional distinction between experience and exegesis, revelation and interpretation, Wolfson argues that for the mystics themselves, the study of texts occasioned a visual experience of the divine located in the imagination of the mystical interpreter. Thus he shows how Jewish mystics preserved the invisible transcendence of God without doing away with the visual dimension of belief.

Of God's Love. Each of the 52 poems in this collection describes a Bible event, person, or message. Each poem is simple, easy to read, and provides focus on a biblical topic. This book of poems features both Christmas and Easter sections. Poems range from Creation to Revelation.

Sara saw things differently. Two weeks before her due date, Sara lost a healthy baby girl. Four weeks later, doctors discovered Stage IV colon cancer. A week after this terminal diagnosis, Sara set up a profile on Caring Bridge and began telling her story of the "most wonderful terrible thing" that had ever happened to her. Sara's transparency about the experience of the physical and emotional

turmoil of her illness serves as a brilliant example of a woman firmly convinced that God holds victory over death. In *The Light Shines Through*, you can walk with Sara and learn from the amazing love and peace that defined her difficult but beautiful last year and a half of her life on earth. Through her humble perspective and unabashed passion, Sara offers compelling lessons on how to live in the present, teaching others to see God ' s presence and abundant love every moment—even those that are deeply painful.

The treasure trove of stories from Scripture provides wonderful examples of people encountering the mystery of God. We read these stories over and over, and know how they turn out year after year. The one perspective we might miss, however, is that the characters in Scripture never knew how their story would turn out when they

Of our lives were living the unknown, fear, joy, surprise, and drama of the moment. They faced the same uncertainty, worry, distraction, and wonder that we face in light of life events that leave us breathless for hope and help. We often fail to grasp how divine participation in the human story is actually what God's story is all about. Our stories are God's story. Personal narratives, then and now, seem to be the ways in which God works best as Scripture is transformed from static story to a conversation that informs our own modern dilemmas and uncertainties. Today's reader can engage with ancient and familiar tales through the lens of pondering where God might be at work in our own lives as well. As today 's Church is in an unsettling transition, today 's spiritual seekers and those who have grown disenfranchised from or disillusioned with traditional spiritual approaches will find a fresh perspective that opens their
