Book Vlog DisappearedCaroline Flack had decided to write a book before she disappeared When You Disappeared

When You Disappeared started off with seven of us for a Traveling Sister Group read, and then they started to disappear with three sisters dropping out and the thread started to read like a thriller itself. Norma with a full weekend ahead had to drop out as well, leaving Kacey, Lindsay and me as the last standing Sisters for this read

You Disappear is the sort of film that recites large passages of the book in voiceover, just in case anyone in the cheap seats might be missing the philosophical subtext to the onscreen plot.

Synopsis:What would you do if the person you loved suddenly vanished into thin air? Catherine's cosy life as a housewife and mum-of-three is quickly thrown into disarray when husband Simon disappears without explanation. She is convinced he hasn't left by choice as confusion and spiraling debts threaten to tear her family apart. Meanwhile Simon has begun a carefree new life travelling the world. And he's determined not to disclose his past to all he meets, even if it means resorting to extreme and violent measures. But why did he leave? Catherine only gets her answer 25 years later when Simon suddenly reappears on her doorstep. During their furious final confrontation, they discover the secrets, lies and misunderstandings that tore them apart, then brought them face-to-face one last time.

All she wanted was the truth, but she'll wish she never found out. When Catherine wakes up alone one morning, she thinks her husband has gone for a run before work. But Simon never makes it to the office. His running shoes are by the front door. Nothing is missing--except him. Catherine knows Simon must be in trouble. He wouldn't just leave her. He wouldn't leave the children. But Simon knows the truth--about why he left and what he's done. He knows things about his marriage that it would kill Catherine to find out. The memories she holds onto are lies. While Catherine faces a dark new reality at home, Simon's halfway around the world, alive and thriving. He's doing whatever it takes to stay one step ahead of the truth. But he can't hide forever, and when he reappears twenty-five years later, Catherine will finally learn who he is. And wish she'd stayed in the dark.

THE INSTANT NEW YORK TIMES BESTSELLER From #1 New York Times bestselling author Lisa Gardner, a propulsive thriller featuring an ordinary woman who will stop at nothing to find the missing people that the rest of the world has forgotten Frankie Elkin is an average middle-aged woman, a recovering alcoholic with more regrets than belongings. But she spends her life doing what no one else will--searching for missing people the world has stopped looking for. When the police have given up, when the public no longer remembers, when the media has never paid attention, Frankie starts looking. A new case brings her to Mattapan, a Boston neighborhood with a rough reputation. She is searching for Angeline Badeau, a Haitian teenager who vanished from her high school months earlier. Resistance from the Boston PD and the victim's wary family tells Frankie she's on her own--and she soon learns she's asking questions someone doesn't want answered. But Frankie will stop at nothing to discover the truth, even if it means the next person to go missing could be her.

LONGLISTED FOR THE 2020 WOMEN'S PRIZE A LIBRARY JOURNAL EMERGING STARS PICK A mesmerizing novel of World War II Singapore, “a story about memory, trauma, and ultimately love” (New York Times)--for fans of Pachinko and We Were the Lucky Ones Singapore, 1942. As Japanese troops sweep down Malaysia and into Singapore, a village is ransacked, leaving only two survivors and one tiny child. In a neighboring village, seventeen-year-old Wang Di is strapped into the back of a troop carrier and shipped off to a Japanese military brothel where she is forced into sexual slavery as a “comfort woman.” After sixty years of silence, what she saw and experienced still haunts her. In the year 2000, twelve-year-old Kevin is sitting beside his ailing grandmother when he overhears a mumbled confession. He sets out to discover the truth, wherever it might lead, setting in motion a chain of events he never could have foreseen. Weaving together two timelines and two very big secrets, this stunning debut opens a window on a little-known period of history, revealing the strength and bravery shown by numerous women in the face of terrible cruelty. Drawing in part on her family's experiences, Jing-Jing Lee has crafted a profoundly moving, unforgettable novel about human resilience, the bonds of family and the courage it takes to confront the past.

When Cylin Busby was nine years old, she was obsessed with Izod clothing, the Muppets, and a box turtle she kept in a shoebox. Then everything changed overnight. Her police officer father, John, was driving to his shift when someone leveled a shotgun at his window. The blasts that followed left John's jaw on the passenger seat of his car--literally. While clinging to life, he managed to write down the name of the only person he thought could have pulled the trigger. The suspect? A local ex-con with rumored mob connections. The motive? Officer Busby was scheduled to testify against the suspect's family in an upcoming trial. Overnight, the Busbys went from being the “family next door” to one under 24-hour armed guard, with police escorts to school, and no contact with friends. Worse, the shooter was still on the loose, and it seemed only a matter of time before he'd come after John--or someone else in the family--again. With few choices left to them, the Busby family went into hiding, severing all ties to the only life they had known.

Four Months Ago Sara Zapata's best friend disappeared, kidnapped by the web of criminals who terrorize Juarez. Four Hours Ago Sara received a death threat -- and with it, a clue to the place where her friend is locked away. Four Weeks Ago Emiliano Zapata fell in love with Perla Rubi, who will never be his so long as he's poor. Four Minutes Ago Emiliano got the chance to make more money than he ever dreamed -- just by joining the web. In the next four days, Sara and Emiliano will each face impossible choices, between life and justice, friends and family, truth and love. But when the web closes in on Sara, only one path remains for the siblings: the way across the desert to the United States.

Winner of a Northern Writers' Award Longlisted for The Bath Novel Award * What if reading the wrong book could get you arrested? In a decaying city controlled by the First General and his army, expressing the wrong opinion can have terrible consequences. Clara Winter knows this better than anyone. When she was a child, her father was taken by the Authorisation Bureau for the crime of teaching banned books to his students. She is still haunted by his disappearance. Now Clara teaches at the same university, determined to rebel against the regime that cost her family so much - and her weapons are the banned books her father left behind. But she has started something dangerous, something that brings her to the attention of the Authorisation Bureau and its most feared interrogator, Major Jackson. The same man who arrested Clara's father. With her rights stripped away, in a country where democracy has been replaced with something more sinister, will she be the next one to disappear? * ‘Provocative and prescient, The Disappeared is an unflinching tale of resistance in dark political times. Set in a near-future Britain where books are banned, this is a thought-provoking dystopian debut.’ - Caroline Ambrose, Founder of The Bath Novel Award

Jackson's life is perfect; he's top of his class, wants for nothing and is destined to be part of the Leadership that runs the country. But when a violent incident leaves Jackson badly beaten and his best friend dead, everything changes. Suddenly his teachers claim not to know him, his records are deleted... Jackson doesn't exist anymore. Dumped in an Academy, where teachers are kept in cages and being a good fighter is all that matters, Jackson realises that to survive he needs to adapt, and fast. And, as he learns the Academy's terrible secrets, Jackson discovers that his whole life has been based on lies; the Leadership is corrupt to the core and they're coming after him. But time is running out. Can Jackson destroy the man at the heart of it all before he makes Jackson disappear for good? Fast-paced, page-turning, moving, yet with a streak of dark humour, Fast-paced, page-turning, moving, yet with a streak of dark humour, The Disappeared is a very British dystopia, with shades of Orwell and Huxley.

Wyoming game warden Joe Pickett has two lethal cases to contend with in this electrifying #1 New York Times--bestseller from C. J. Box. Wyoming's new governor isn't sure what to make of Joe Pickett, but he has a job for him that is extremely delicate. A prominent female British executive never came home from the high-end guest ranch she was visiting, and the British Embassy is pressing hard. Pickett knows that happens sometimes--these ranches are stocked with handsome young cowboys, and “ranch romances” aren't uncommon. But no sign of her months after she vanished? That suggests something else. At the same time, his friend Nate Romanowski has asked Joe to intervene with the feds on behalf of falconers who can no longer hunt with eagles even though their permits are in order. Who is blocking the falconers and why? The more he investigates both cases, the more someone wants him to go away. Is it because of the missing woman or because he's become Nate's advocate? Or are they somehow connected? The answers, when they come, will be even worse than he'd imagined.
