Part blistering espionage thriller, part riveting police procedural, and part piercing exposé on social injustice, this second book in the Millennium series is a masterful, endlessly satisfying novel. Mikael Blomkvist, crusading publisher of the magazine Millennium, has decided to run a story that will expose an extensive sex trafficking operation. On the eve of its publication, the two reporters responsible for the article are murdered, and the fingerprints found on the murder weapon belong to his friend, the troubled genius hacker Lisbeth Salander. Blomkvist, convinced of Salander's innocence, plunges into an investigation. Meanwhile, Salander herself is drawn into a murderous game of cat and mouse, which forces her to face her dark past.

Two reporters responsible for a sex-trafficking exposé are murdered, and the fingerprints on the murder weapon belong to Lisbeth Salander, prompting the magazine's publisher, Mikael

Blomkvist, to launch his own investigation to vindicate Salander.

Mikael Blomkvist, crusading journalist and publisher of the magazine Millennium, has decided to run a story that will expose an extensive sex trafficking operation between Eastern Europe and Sweden, implicating well-known and highly placed members of Swedish society, business, and government. But he has no idea just how explosive the story will be until, on the eve of publication, the two investigating reporters are murdered. And even more shocking for Blomkvist: the fingerprints found on the murder weapon belong to Lisbeth Salander—the troubled, wise-beyond-her-years genius hacker who came to his aid in *The Girl with the Dragon Tattoo*, and who now becomes the focus and fierce heart of *The Girl Who Played with Fire*. As Blomkvist, alone in his belief in Salander's innocence, plunges into an investigation of the slayings, Salander herself is drawn into a murderous hunt in which she is the prey, and which compels her to revisit her dark past in an effort to settle with it once and for all.

In the third volume of the Millennium series, Lisbeth Salander lies in critical condition in a Swedish hospital, a bullet in her head. But she's fighting for her life in more ways than one: if and when she recovers, she'll stand trial for three murders. With the help of Mikael Blomkvist, she'll need to identify those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she'll seek revenge--against the man who tried to kill her and against the corrupt government institutions that nearly destroyed her life.

In this graphic novel adaptation of Stieg Larsson's *THE GIRL WHO PLAYED WITH FIRE*,

Mikael Blomkvist, crusading publisher of the magazine Millennium, has decided to run a story that will expose an extensive sex trafficking operation. On the eve of its publication, the two reporters responsible for the article are murdered, and the fingerprints found on the murder weapon belong to his friend, the troubled genius hacker Lisbeth Salander. Blomkvist, convinced of Salander's innocence, plunges into an investigation. Meanwhile, Salander herself is drawn into a murderous game of cat and mouse, which forces her to face her dark past.

Murder mystery, family saga, love story, and financial intrigue combine into one satisfyingly complex and entertainingly atmospheric novel, the first in Stieg Larsson's thrilling Millennium series featuring Lisbeth Salander. Combine the chilly Swedish backdrop and moody psychodrama of a Bergman movie with the grisly pyrotechnics of a serial-killer thriller, then add an angry punk heroine and a down-on-his-luck investigative journalist, and you have the ingredients of Stieg Larsson's first novel. The New York Times Harriet Vanger, a scion of one of Sweden's wealthiest families disappeared over forty years ago. All these years later, her aged uncle continues to seek the truth. He hires Mikael Blomkvist, a crusading journalist recently trapped by a libel conviction, to investigate. He is aided by the pierced and tattooed punk prodigy Lisbeth Salander. Together they tap into a vein of unfathomable iniquity and astonishing corruption.

Discover the books that changed the way the world reads crime - Stieg Larsson's phenomenal global blockbuster, the Millennium Trilogy The Girl with the Dragon Tattoo: Forty years ago, Harriet Vanger disappeared from a family gathering on the island owned by the powerful

Vanger clan. Her uncle employs disgraced journalist Mikael Blomkvist and tattooed hacker Lisbeth Salander to investigate. When the pair link Harriet's disappearance to a number of grotesque murders, they begin to unravel a dark family history... The Girl Who Played With Fire: Lisbeth Salander is now a wanted woman, on the run from the police. Mikael Blomkvist, editor-in-chief of Millennium magazine, is trying to prove her innocence. Yet Salander is more avenging angel than helpless victim. She may be an expert at staying out of sight - but she has ways of tracking down her most elusive enemies. The Girl Who Kicked the Hornets' Nest: Salander is plotting her final revenge - against the man who tried to kill her, and against the government institutions that very nearly destroyed her life. With the help of journalist Mikael Blomkvist and his researchers at Millennium magazine, Salander is ready to fight to the end. Stieg Larsson's phenomenal trilogy is continued in The Girl in the Spider's Web and The Girl Who Takes an Eye for an Eye by David Lagercrantz.

It's back. Evil itself. On the eve of Mikael Blomkvist's newest and most shocking exposé, two investigating reporters are murdered. The fingerprints found on the murder weapons belong to Lisbeth Salander - the troubled, wise-beyond-her-years genius hacker who came to his aid in The Girl With The Dragon Tattoo. From Runberg and Carot comes this comics adaptation of the second novel in Stieg Larsson's international best-selling Millennium trilogy. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} Following a fall from grace, discredited journalist Mikael Blomkvist opted to take up a missing persons case. His investigation led him to a mysterious computer hacker, Lisbeth Salander, who is hell-bent on revenge against her legal guardian. After solving the case together, Salander helped Blomkvist to publish an expose in the Millennium, restoring his reputation. Realizing her affections for him were unrequited, Salander subsequently disappeared. But a year has passed, and Salander is back in Stockholm just as Blomkvist is on the brink of a major story□

An FBI agent's sister disappears after an attempted suicide. When Savich and Sherlock join the search, they discover a startling connection to a puzzling murder-and put their lives on the line to uncover the truth.
