Time of Legends: Joan of Arc is set amid the tumult of the 100 Years War, when kings and princes struggle for the throne of France. This is the age of knights and squires, where chivalry is often spoken of, but rarely practiced. It is a time of both religion and superstition. Educated clerics fervently believe that angels guard the pious, and demons scourge the wicked, while the simpler folk ...

Joan of Arc - Wikipedia
Joan of Arc was born in a small French village during the worst period of the Hundred Years' War. For generations, France had been besieged by the British. At age 11, Joan began to see religious visions telling her to join forces with the King of France. By the time she was a teenager, she was leading troops into battle in the name of her country. Though she was captured and executed for her beliefs, Joan of Arc became a Catholic saint and has since captured the world's imagination.

"A master of the story form" (The New York Times) offers a fresh, revealing portrait of the legendary saint Celebrated novelist Mary Gordon brings Joan of Arc alive as a complex figure full of contradictions and desires, as well as spiritual devotion. A humble peasant girl, Joan transformed herself into the legendary Maid of Orléans, knight, martyr, and saint. Following the voice of God, she led an army to victory and crowned the king of France, only to be captured and burned at the stake as a heretic—all by the age of nineteen. Gordon does more than tell this gripping story—she explores Joan's mystery and the many facets of her inspiring life.

From the author of the acclaimed She-Wolves, the complex, surprising, and engaging story of one of the most remarkable women of the medieval world—as never told before. Helen Castor tells afresh the gripping story of the peasant girl from Domremy who hears voices from God, leads the French army to victory, is burned at the stake for heresy, and eventually becomes a saint. But unlike the traditional narrative, a story already shaped by the knowledge of what Joan would become and told in hindsight, Castor ' s Joan of Arc: A History takes us back to fifteenth century France and tells the story forwards. Instead of an icon, she gives us a living, breathing woman confronting the challenges of faith and doubt, a roaring girl who, in fighting the English, was also taking sides in a bloody civil war. We meet this extraordinary girl amid the tumultuous events of her extraordinary world where no one—not Joan herself, nor the people around her—princes, bishops, soldiers, or peasants—knew what would happen next. Adding complexity, depth, and fresh insight into Joan ' s life, and placing her actions in the context of the larger political and religious conflicts of fifteenth century France, Joan of Arc: A History is history at its finest and a surprising new portrait of this remarkable woman. Joan of Arc: A History features an 8-page color insert.

Examines the life of Joan of Arc and explores the meaning of Joan both to her contemporaries and succeeding generations--Joan as hero, prophet, heretic, androgyne, harlot, and saint

One feels closer to Joan in these pages than in any modern biographies.--Saturday Review

Against the fascinating tapestry of Frances history during the Hundred Years' War, Diane Stanley unfolds the story of the simple thirteen-year-old village girl who in just a few years would lead France to independence from English rule, and thus become a symbol of France's national pride. It is a story of vision and bravery, fierce determination, and tragic martyrdom. Diane Stanley's extraordinary gift to present historical information in an accessible and child-friendly format has never been more impressive, nor her skillful, beautifully realized illustrations (here imitating medieval illuminated manuscripts) more exquisite.

Vita Sackville-West wrote Saint Joan of Arc in 1936 at the age of forty-four, and had, at that point, already been writing for thirty years. At fourteen, Sackville-West published her first book, and at fourteen Joan of Arc first heard the voices. Joan was seventeen when she took command of the armies of France--a peasant girl in the early fifteenth century in charge of a nation's forces. At nineteen she was captured by the British and tried as a witch by a church court. Before her twentieth birthday she was burned at the stake. In 1920 she was canonized by the Roman Catholic Church as a saint. In a clever, brisk voice, Vita Sackville-West tells the triumphant story of a French peasant girl raised in a country torn apart by the Hundred Years' War who rose from poverty to military greatness. With dazzling insight and clarity, Sackville-West breathes new life into Joan of Arc's beautiful and tragic story.

The only available source for the exact words of Joan of Arc, compiled from the transcript of her trials and rearranged as an autobiography by Willard Trask.

It began with voices--St. Michael, St. Catherine, and St. Margaret speaking to an ordinary farmer's daughter. Inspired to aid the future King Charles VII, whose right to the throne had been denied by the English in the Hundred Years War, Joan of Arc made her journey clad in male attire. Theologians testified to the veracity of her divine claims, and she was furnished with a host of troops. But how did she achieve the military feats that made her a legend? Stephen W. Richey offers a unique look at this remarkable woman. Joan of Arc rapidly matured into a true battle commander who spoke forcefully in war councils, made decisions, and gave orders that were obeyed--resulting in a stunning series of victories for her army. She achieved this feat by virtue of her unschooled but intuitive genius for war, a charismatic personality that inspired her soldiers to heroic feats, and her ability to exploit a unique set of lucky circumstances.
