Recognize, confront, and conquer the fears holding you back from living boldly and freely with renowned Bible teacher and New York Times bestselling author, Joyce Meyer. Fear is the devil's favorite tool in the toolbox of schemes he uses to destroy God's good plan for you. He uses it to hold you back and prevent progress in your relationships, career, and more. In *Do It Afraid*, Joyce Meyer explains that fear is everywhere and affects everyone. It rules many people, but it doesn't have to rule you any longer. This challenge is a necessary one--one we must all take up. It is a gift to dive into Vivek's heart and mind." --Rupi Kaur, bestselling author of *The Sun and Her Flowers* and *Milk and Honey* A trans artist explores how masculinity was imposed on her as a boy and continues to haunt her as a girl--and how we might reimagine gender for the twenty-first century. Vivek Shraya has reason to be afraid. Throughout her life she's endured acts of cruelty and aggression for being too feminine as a boy and not feminine enough as a girl. In order to survive childhood, she had to learn to convincingly perform masculinity. As an adult, she makes daily compromises to steel herself against everything from verbal attacks to heartbreak. Now, with raw honesty, Shraya delivers an important record of the cumulative damage caused by misogyny, homophobia, and transphobia, releasing trauma from a body that has always refused to assimilate. *I'm Afraid of Men* is a journey from camouflage to a riot of colour and a blueprint for how we might cherish all that makes us different and conquer all that makes us afraid.
