Why Johnny Can't Read?: And What You Can Do About It ...

The evidence tells us that well before Johnny can read, starting at birth, he needs to hear a lot of language to develop a strong language base. Until we face this fact, the third grade reading guarantee guarantees no more than poor language can buy: a third grade reading slump.

Language is a prequel to literacy.

The classic book on phonics--the method of teaching recommended by the U.S. Department of Education. Contains complete materials and instructions on teaching children to read at home.

Explores the question of literacy among American school children, arguing that the common look-and-say method of teaching reading is ineffective and advocating the traditional phonic system

An analysis of why American schools fail to provide a moral education argues that the new decision-making-based educational theory fails to teach values

Bookmark File PDF Why Johnny Cant Read

The authors of this book, both experienced teachers, examine the controversy surrounding two popular methods for teaching writing -- the "process" approach and its offspring, Writing Across the Curriculum. Both have recently been called into question for their ineffectiveness. An alternative lesser-known procedure called "sentence combining," which has been proven successful in numerous studies over the past fifteen years, finally is gaining the attention it deserves. Using the sentence combining approach, the authors present a rationale for re-thinking and re-tooling the English classroom and consequently making the entire

educational system work more effectively. This book is useful for teachers at any level, especially those involved in writing instruction. It is also worthwhile reading for those wishing to improve their writing skills. Doing the sample exercises will strengthen writing skills and provide a solid foundation for a lifelong program of language growth.

Briefly discusses the traditional mathematics formerly taught in American schools and views the language and weaknesses of the modern math curriculum

the culture as a whole. Many of those shifts have profound, and unfortunate, effects on preaching. T. David Gordon has identified a problem, one that affects all preachers (indeed, all public speakers) and needs fixing. Our preaching is just not communicating properly anymore. Fortunately, Gordon not only explains the causes of this failure but also shows us how to make things better. - Publisher.

Johnny is different. He is never exactly on time, he can't seem to stick to a routine and he often speaks in cryptic idioms. Johnny is

Bookmark File PDF Why Johnny Cant Read

neurotypical, but that's ok. A picture book with a difference, Why Johnny Doesn't Flap turns the tables on common depictions of neurological difference by drolly revealing how people who are not on the autistic spectrum are perceived by those who are. The autistic narrator's bafflement at his neurotypical friend's quirks shows that 'normal' is simply a matter of perspective.

Shows caregivers how to spot ADD, find professional help, evaluate medical and behavioral treatments, and participate in therapy
