This is the first-ever English-language edition of the book Leo Tolstoy considered to be his most important contribution to humanity, the work of his life's last years. Widely read in prerevolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, A Calendar of Wisdom is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. Unjustly censored for nearly a century, it deserves to be placed with the few books in our history that will never cease teaching us the essence of what is important in this world.

Ryan Holiday has led the popular revival of stoicism since 2014, with his acclaimed bestsellers The Obstacle is the Way, Ego is the Enemy, and-in partnership with Stephen Hanselman-The Daily Stoic. The latter offered powerful quotations, fresh anecdotes, and insightful commentary about the wisdom of Epictetus, Seneca, and Marcus Aurelius. Now Holiday and Hanselman are back with The Daily Stoic Journal, an interactive guide to integrating this ancient philosophy into our 21st century lives. Readers will find weekly explanations and quotations to inspire deeper reflection on Stoic practices, daily prompts, and a helpful introduction explaining the various Stoic tools of self-management. This beautifully designed hardcover journal features space for morning and evening notes, along with advice to encourage ongoing writing and insights, day by day through the year. This is the perfect companion volume for people who already love The Daily Stoic, but it can also be used as a stand-alone journal. It will help anyone seeking inner peace and clarity in our crazy world, even those who have never previously encountered Stoicism.

A year-long collection of daily devotionals offers biblical wisdom that can be applied to modern life to reinforce one's relationship with God and provide a new understanding of what it is to live a moral life.

From the team that brought you The Obstacle Is the Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Let the holy Communion revolutionize your life and health! Through engaging Bible-based teaching, Pastor Joseph Prince unpacks a revelation of the Communion that has never been more relevant than right now. Along with showing you why the holy Communion is God ' s ordained way to release life, health, and healing to us, Pastor Prince also tackles the tough questions: Is God punishing me with sickness and disease? Is it really God ' s will to heal me? Do I qualify for His healing power? What do I do when I don ' t see results? Can God heal my loved ones? The enemy wants you to believe that God doesn ' t care and that your situation is hopeless. But because of the cross, you can have full assurance in your heart that God wants you healed and whole. Learn how you can access His healing power with just the simple act of eating. In Eat Your Way to Life and Health, discover a God who loves you so much, His Son paid for your healing on Calvary ' s cross. Be deeply encouraged as you read powerful testimonies from people who have received healing through a revelation of the Communion, despite being told their conditions were terminal or incurable. Whatever circumstances you are confronted with today, God has a word for you: Don ' t give up. There is hope. He has made a way for you!
