We were just two strangers. Facing a forbidden attraction, a chemical connection. Neither of us expected or wanted it to amount to more. But I had never been drawn to a guy the way I was drawn to this one: my brother's best friend, and CEO of the company where I interned. expose the hypocrisy, and stop the cover-ups, this book is a must-read.

The Womanizer is comparable to Steve Harvey's "Act Like A Lady, Think Like A Man." However it's written for both female and male. It will help the female identify the womanizer's characteristics and traits by revealing intricate details of his thought process (such as the five "F" you's). It's to be used as a guide to help men who are womanizers find their way off of the road of destruction to a road of reality that consists of a long-lasting and meaning relationship with the female, so that both can live happily ever after. (A Fairtale that really can be a Reality!) An absolute Must Read!!
