Kittens socialize while people stretch. KELLY NICHOLAIDES/FOR MONTCLAIR LOCAL. By KELLY NICHOLAIDES For Montclair Local. A dozen people sprawl out on mats at Indigo Yoga Studio in West Caldwell, while kittens dart around chasing toys. "Sit up tall, close your eyes, and take a deep breath through your nose," instructor Stacy Rosales begins the session, with a cuteness twist, on Sept. 30.

This little book brings a sense of humour to the art of yoga through well-executed illustrations of cats doing asanas in order to gain self-realisation. Beautifully illustrated - each cat has a personality of its own (and an ego no doubt!). Highly amusing and makes me chuckle every time I look through the book at each of the characters.

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

Follow these feline instructors, and you will surely become fit and flexible! This unique book is full of cats which look like they are practicing yoga poses, so adorable that you cannot help but follow them and move your body. This book shows you how to pose correctly through full-color large photographs and easy-to-follow instructions supervised by an acclaimed (human) teacher. Always keep this book near you, and you will be relaxed and amused.

For centuries, people have practiced yoga as a means of improving the body, clearing the mind, and heightening joy. Now your favorite feline can relish the benefits of this ancient discipline with Cat Yoga. Regular practice will help your cat feel more energetic—no more three hour naps in the sun for him! Other benefits include:
• Improved balance
• A sleek waistline
• Mental clarity
• Fuller, more luxurious whiskers
Sixty full-color photographs of cats who have already unlocked the power of yoga guide your beloved pet on this journey, paving the way to enlightenment through Cat Yoga.
\* No cats pulled a muscle, felt dizzy, or were harmed in any way in the making of this book. Does Fluffy seem stiff and tense? Help him become the lithe and limber feline he was meant to be with Cat Yoga, a hands-on guide to the ancient practice of yoga . . . for cats.

In the tradition of "Why Cats Paint" this hilarious faux how-to manual demonstrates the benefits of daily yoga practice for felines. Line art & photos throughout.

Offers humorous instructions for teaching yoga to a common housecat, plus comic instructional illustrations

"P.S. I Love You More Than Tuna is both a lighthearted celebration of the loving bond between human and cat, and a touching meditation on the eternal nature of that love." —Jackson Galaxy, host of Animal Planet's My Cat From Hell
An illustrated gift book for adults grieving a companion cat, celebrating the often-quirky bond between humans and felines. Our cats occupy a unique space in our hearts. When they're gone, the loss can be devastating, the grief profound. P.S. I Love You More Than Tuna gives us an opportunity to give friends, loved ones, or ourselves tangible comfort during the grieving period, when so many of us feel isolated and misunderstood after a beloved pet dies. The author and illustrator (devoted cat lovers themselves) offer this book as a universal love letter from the felines we've bid goodbye to. It celebrates the special bonds we forge with our four-legged companions and reminds us that their love for us—and ours for them—need never end.

This groovy series from New York Times bestselling team James and Kimberly Dean introduces Pete the Cat before he was Pete the Cat...when he was little Pete the Kitty! In this easy-to-read and engaging picture book, little readers will learn all about sharing with their favorite blue kitten!

The epic battle between good and evil is played out in this humorous gift book, Cat Wars.
