'Your Hand in My Hand' does not have a narrative as such, but is a book that follows two mice as they walk along hand in hand. They could be mother and child, siblings, or even Dad. Who they represent will mean different things to different people and it is here that the book works best.

This heartwarming picture book reassures children that a parent's love never lets go—based on the poignant lyrics of JJ Heller's beloved lullaby "Hand to Hold." "May the living light inside you be the compass as you go / May you always know you have my hand to hold." With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child's heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent's presence and God's blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

11-year-old Alice Paul Tapper--daughter of CNN's Jake Tapper--is challenging girls everywhere to speak up! When Alice Tapper noticed that the girls in her class weren't participating as much as the boys, she knew she had to do something about it. With help from her Girl Scout troop and her parents, she came up with a patch that other girls could earn if they took a pledge to be more confident in school. Alice even wrote an op-ed about the experience for the New York Times! Inspired by that piece, this picture book illustrates her determination, bravery, and unwillingness to accept the status quo. With Marta Kissi's delightful illustrations depicting Alice's story, young readers everywhere will want to follow Alice's lead and raise their hand!

A life-changing secret destroys an unlikely friendship in this "magnetic" (Meg Wolitzer) psychological thriller from the Edgar Award-winning author of Dare Me. You told each other everything. Then she told you too much. Kit has risen to the top of her profession and is on the brink of achieving everything she wanted. She hasn't let anything stop her. But now someone else is standing in her way - Diane. Best friends at seventeen, their shared ambition made them inseparable. Until the day Diane told Kit her secret - the worst thing she'd ever done, the worst thing Kit could imagine - and it blew their friendship apart. Kit is still the only person who knows what Diane did. And now Diane knows something about Kit that could destroy everything she's worked so hard for. How far would Kit go, to make the hard work, the sacrifice, worth it in the end? What wouldn't she give up? Diane thinks Kit is just like her. Maybe she's right. Ambition: it's in the blood . . .

'Hand Book' is a print version of the ebook 'Real Palmistry'. It contains the same basic content. The images are black and white. It was created for the many people who have asked for a 'real' book. Before you read another word, look at your hands. What do you see, a confused jumble of lines and bumps? Look again. You are looking at a topographical map of your character in the past, present, and future. You can navigate your map and chart your course. You don't have to be a palmist or even know palmistry to be able to see your relationship, career, and health potentials in your hands. Reading hands is simple and fun. The value of reading hands is in being able to readily recognize personality traits, habits and patterns, and motivations. As we identify our strengths and weaknesses, we can alter our thinking, exercise our free will, and transform negative thought patterns into positive behavioral patterns. We can take charge of our thinking, feelings, and actions. Interpreting our hands and understanding our character can inspire and empower us to transform our destinies. The beauty of reading hands is that hands change as thinking and circumstances change. A tiny change in a hand can represent a huge change in a life. As we make decisions and exercise our free will, we are able to see our successes and failures reflected in our hands over time. Palmistry is the 5500-year-old science and art of interpreting character from hands. Size, shape, and proportions of hands reveal one or more of four basic archetypes: Intuitive, Practical, Thinking, and Feeling. Texture, color, elasticity and consistency of skin, and the flexibility of joints explain how we initiate, maintain, and adapt to new ideas and circumstances. Lengths and proportions of fingers, knots, shapes of fingertips, and the qualities of nails represent our health, career, and relationships, and how we are fulfilling our potentials in our world around us. Lines of the hands, dermatoglyphics (fixed skin ridge patterns), and gestures reveal more detailed information about our life choices and circumstances. The arts and crafts of interpretation and counseling require study and practice. Hand Book will affirm, confirm, and inform readers in helpful and hopeful ways. Readers will ask their hands: Who am I? What do I want? What do I value? What do I think? How do I feel? How can I be happier? How can I be healthier? How are my relationships? What are my obligations? What are my responsibilities? How can I be prosperous? How can I be more creative? What's my purpose? What's my philosophy? How can I be more spiritual? What's next? We can all be our own best friends and bullshit detectors. Astrology had been around for thousands of years, when suddenly in 1968, Linda Goodman's Sun Signs set mass market astrology in motion. Paradoxically, while astrology reveals potential character, hands reveal true character; what we've done, do, and are likely to do with our character. After 5,500 years of being relegated to obscurity, misinformation, and deception, the time has come for the ancient science and art of palmistry to be reborn, creating new opportunities for people to interact and get to know themselves and others better. The paradigm of palmistry as a gypsy fortunetelling scam will finally be dispelled. An inspiring new catchphrase for the 21st Century will be "Let me see your hands". Hand Book captures the imagination of the masses while addressing their real concerns. In addition to answering fundamental life issues and questions, Hand Book covers topics such as: hands of family and friends, hands of celebrities, insight into intimate relationships, and gaining insight into the hands of children. Palmistry will eventually become accessible to billions of curious hand owners who will be able to experience the power of palmistry firsthand.
