Yuva India takes a deep dive into the lives of India's young men and women. In unravelling what makes them tick, the book uncovers the phenomenon of 'attitudinal convergence' that is rapidly growing across youth cohorts in India. Tracing its origin to the arrival of and exposure to a 'composite culture', the research behind 'convergence' zeroes in on how a young India is defining itself using new-age sensibilities. Drawing on insights collected over a decade, Ray documents and analyses how young men and women in India approach issues of identity, image, sexuality, spirituality, personal relevance, social connections and community, and professional pursuits. In a one-of-a-kind analysis, using comprehensive data from across the nation, Ray scrutinizes young India's psyche to make sense of their aspirations. Filled with numerous first-person accounts and brand stories, Yuva India provides an insightful understanding of India's most valuable asset, its youth population. The present and the future of India's young, it reveals, will be invaluable not just for business and brand managers, but also for all those who wish to engage with them.

It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity.... These immortal lines of Charles Dickens perhaps aptly describe everything Yuva Bharat reflects. In an uncanny reflection of the times we are living in while this book is being released, it talks about what the world needs to read right now. For these are the times of COVID-19. These are the times when 'normal' has been redefined. Author Devir traces the journey of 69 young men and women who defined their own 'new normal'. He talks about people whose worlds collapsed way before COVID-19 had hit us and who emerged victorious against undefinable odds-people of sheer grit who did not need legs to win races; people who vested their faith in the unseen; or people who rose from the ashes like the proverbial phoenix. Some of the remarkable stories include the struggles, learnings and indomitable passions of Rajkummar Rao, Kiren Rijiju, Aditi Rao Hydari, Remo D'souza, Abhinav Bindra and Chitrangada Singh, among many others, who each went on to excel in their own craft. Yuva Bharat encompasses these tales of overcoming all odds and achieving success eventually. A compelling narrative, it takes us through life journeys and inspires us to get up in this instant and take charge of our lives. A straight shot of adrenaline, Devir gives us our carpe diem moment!

DESCRIPTION Keepin' It Real: Bhaja Govindam for Yuva Seeking A Balanced Mind for an Unbalanced World\r\n“Because of the simplicity of the vocabulary employed, the melody of the verses, the cadence in the metre chosen and the general atmosphere of the song and thrill in this congregation songs, Bhaja Govindam has become very popular in our country and till recently we could hear these stanzas in almost all the streets, throughout the length and breadth of Bharat. Children lisped it, boys thundered it, intelligent people appreciated it and practitioners (Sadhakas) Made use of these stanzas and fulfilled their lives.” - An excerpt from Swami Chinmayananda's commentary on the book Bhaja Govindam.

The present-day society is moving towards a new era – an era in which man's power, prosperity, development, happiness, accomplishments, complete overall progress, his spiritual state – all this will be decided solely and only by his Chitta-Shakti (will power). The youth of the

present generation as well as of the future generations, will have to make their chitta extremely powerful and pure. These generations will perform the spiritual practice of meditation and invite the Gurus on the earth; they will become the parents of the Gurus and will create a new era. These future generations will maintain the existence of humanity. In order to make the chitta of the youth and the children stronger, in order to give them the required guidance, His Holiness Gurudev has written some messages. This booklet is a compilation of those same messages.
