genres including horror, science fiction and mystery.

Zoo by Otsuichi - Goodreads

Otsuichi offers some dark but interesting tales with unique twists fans will appreciate. Compared to "Goth," his masterpiece, Zoo's tales feel hit or miss. These tales are more fun than well thought out or logically grounded.

Zoo by Otsuichi, Paperback | Barnes & Noble®

Zoo is aptly named, besides it a short story in the book, as it is filled with a mix of interesting horror themed stories. Some stand out above the others; my favorites being "In a Falling Airplane" and "In a Park at Twilight, a Long Time Ago". Otsuichi never fails to deliver twists and turns in an horrifyingly entertaining way.

Book Reviews: Zoo (Otsuichi) (Akihisa Yanari). By Serdar Yegulalp on 2009/11/15 17:34 | 0 Comments. Maybe it sounds like a cheap shot to say I picked up the manga adaptation of Otsuichi's Zoo for a dollar, but it's the truth. I was already curious about how the short-story collection had been adapted into manga, but having a pricetag that low closed the deal, and now I'm here to tell you ...

Before they were friends, he had already noticed her. He wanted her hands - those beautiful, enchanting hands - to himself. And he hoped that the local madman who had been "collecting" the hands of anything that moved - babies, children, men, women, animals - would get them for him...until the day she asked him to teach her how to smile. -- VIZ Media

A coming of age story, right after death. L to R (Western Style). Two short novels, including the title story and Black Fairy Tale, plus a bonus short story. Summer is a simple story of a nine-year-old girl who dies while on summer vacation. While her youthful killers try to hide the her body, she tells us the story—from the POV of her dead body—of the boys' attempt to get away murder. Black Fairy Tale is classic J-horror: a young girl loses an eye in an accident, but receives a transplant. Now she can see again, but what she sees out of her new left eye is the experiences and memories of its previous owner. Its previous deceased owner.

In these preternatural tales, a girl creates a cell phone in her imagination, with which she can communicate with others...A young boy discovers his new friend has the power to heal others—and learns about true friendship and sacrifice...And the restorative power of love confronts the tragedy and horror of a deadly train accident. -- VIZ Media

Morino is the strangest girl in school—how could she not be, given her obsession with brutal murders? And there are plenty of murders to grow obsessed with, as the town in which she lives is a magnet for serial killers. She and her schoolmate will go to any length to investigate the murders, even putting their own bodies on the line. And they don't want to stop the killers—Morino and her friend simply want to understand them. This new Haikasoru edition features the previously untranslated bonus novelette, "Morino's Souvenir Photo." -- VIZ Media

Itsuki Kamiyama and high school classmate Yoru Morino are obsessed with murder. They collect photos of gory crime scenes, but it goes a bit beyond that. Morino dresses in the same clothes worn by murder victims, and Kamiyama visits crime scenes to stand in the spots where the murder might have occurred. Apparently the area of Japan they live in is populated exclusively by serial killers, all of whom are attracted to Morino. Their neighbors include the science teacher who cuts off people's hands; the serial killer who keeps a self-incriminating diary; and the guy who buries people alive.

Depicts the variety of animals that live in a zoo.

This volume of plays contains Edward Albee's four most famous one-act works. They are Death of Bessie Smith, Zoo Story, American Dream, and Sand Box.

L to R (Western Style). Ten stories of horror and science fiction from Japan's hottest young author. In one story, the last man on Earth turns out to be a robot. In another story, a man builds a house from the bodies of his murder victims. And in the book's eponymous story, a man sees his girlfriend's corpse decompose... one Polaroid snapshot at a time!

Seeing things. You were just seeing things. For city girl Callie Velasquez, nothing sounds more terrifying than a night out in the wilderness. But, wanting to bond with her popular new friends, Lissa and Penelope, she agrees to join them on a camping trip. At least Callie's sweet new boyfriend, Jeremy, will be coming too. But nothing goes as planned. The group loses half their food supply. Then they lose their way. And with strange sounds all around her--the snap of a twig, a sinister laugh--Callie wonders if she's losing her mind. Tensions swirl among the group, with dark secrets suddenly revealed. And then, things take a fatal turn: Callie stumbles upon a cold dead body in the woods. Is the murderer close by, watching them? Callie has to figure out where she can turn and who she can trust, before her own life is at stake. Kieran Scott weaves a thrilling mystery that explores love, loyalty--and the dangerous decisions we make in order to survive.

One of the most popular writers working in Japan today, Mariko Koike is a recognized master of detective fiction and horror writing. Known in particular for her hybrid works that blend these styles with elements of romance, The Graveyard Apartment is arguably Koike's masterpiece. Originally published in Japan in 1986, Koike's novel is the suspenseful tale of a young family that believes it has found the perfect home to grow into, only to realize that the apartment's idyllic setting harbors the specter of evil and that longer they stay, the more trapped they become. This tale of a young married couple who harbor a dark secret is packed with dread and terror, as they and their daughter move into a brand new apartment building built next to a graveyard. As strange and terrifying occurrences begin to pile up, people in the building start to move out one by one, until the young family is left alone with someone... or something... lurking in the basement. The psychological horror builds moment after moment, scene after scene, culminating with a conclusion that will make you think twice before ever going into a basement again.
