When Ear, Leg, and Arm refuse to marry Mosquito, she shows them that she is not to be ignored.

When Ear, Leg, and Arm refuse to marry Mosquito, she shows them that she is not to be ignored.

Offers suggestions for utilizing cultural materials and multicultural programming within schools and libraries, including African, Caribbean, Korean, and Native American perspectives.

Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. □ Offers easy subject access to children's picture books □ Features a user-friendly organization □ Provides in-depth indexing and full bibliographic detail

Offers advice and guidelines on how to expand a child's world through books and reading, introducing three thousand teacher-recommended book titles, craft ideas, projects, recipes, and reading club tips.

A guide to making music a part of a children's story hour provides lesson plans that mix picture books with songs, an annotated bibliography, and a discography.

Offers eighteen offbeat literary programs featuring creepy, dirty, and stinky stories that will appeal to young readers.

An annotated bibliography of picturebooks about non-European countries and cultures around the world, with an emphasis on the illustrations and the emotional impact they carry.
